Informational use

For the informational use of our websites, we only collect the data that your browser automatically transmits to us, such as:

- IP address (network address)
- Address of the website from which you came
- Address of the retrieved files (retrieval address = URL)
- Date and time of a retrieval
- as well as the operating system and browser version of your end device (user agent)

The data is stored in (technical) protocols (logs).

Storage duration

The storage period for this data (logs) is 90 days.

Legal basis(s) for data processing

The above-mentioned data is technically necessary to provide you with our websites and to ensure stability and security.

Cookies

We use cookies and similar technologies to enable certain functions within our websites. A cookie is a small package of information and consists of a pair of data, a key and a value. A cookie is managed by the browser on the user's end device and thus stored there. We may use cookies if they are absolutely necessary for the operation of our websites. We require your permission for all other cookie types. Some cookies are used by third-party providers that we have integrated into our websites.

An overview of all cookies used, including the storage period and the corresponding legal basis, can be found below:

Name	Provider	Usage	Storage Duration	Legal Basis
ssr-caching	Website operator	To manage server rendering caches to improve the loading speed of the website.	20,4 Sec.	Legitimate interest
hs	Wix Cookie	Security and session management	Session	Consent
svSession	Wix Cookie	User identification over longer periods of time, e.g. for logged-in users.	2 years	Consent
XSRF-TOKEN	Wix Cookie	Protection against cross-site request forgery (CSRF) attacks	Session	Legitimate interest
bSession	Website operator	Session cookie, used for session tracking and management. Storage duration	30 min.	Legitimate interest

Contact

When you contact us by e-mail or using the contact form, the data you provide, e.g. your e-mail address, your name, your telephone number and the content of the message, will be processed to clarify your request.

Storage duration

We delete the data arising in this context after storage is no longer required for these purposes or restrict processing if there are statutory retention obligations (archiving obligations for business and commercial letters).

Legal basis(s) for data processing

Processing is necessary for the performance of a contract to which the data subject is party or in order to take steps at the request of the data subject prior to entering into a contract, pursuant to Art. 6 (1) (b) GDPR.

Alternatively, the processing is carried out in our and your interest in processing your request, pursuant to Art. 6 para. 1 lit. f) GDPR.

Login

We offer the option of logging in to our website to gain direct access to our internal area. For this purpose, we will assign you a user name and password when you set up a user account.

Purpose of the processing

We process your data for the purpose of registration for our internal area.

Storage Duration

Your data will be deleted when you deactivate your user account.

Legal basis(s) for data processing

Processing is necessary for the performance of a contract to which the data subject is party or in order to take steps at the request of the data subject prior to entering into a contract.

Alternatively, processing is carried out in our and your interest in the provision of a user account.

Integrated service providers

Below you will find an overview of all service providers who are involved in the provision and further development of our websites and in enabling special functions.

Hosting und development

Service Providers	Purpose and legal basis	Notes
Wix.com Ltd. 40 Namal Tel Aviv Street Tel Aviv, 6350671 Israel	<ul style="list-style-type: none">- Hosting of the IT systems and websites- Order processing	Provision and administration of the IT infrastructure.

Applications

We process the data that you have sent us in connection with your application in order to check your suitability for the position (or any other open positions) and to carry out the application process. As a rule, this is the following data:

- Personal master data (e.g. name, address, date of birth)
- Communication data (e.g. telephone, e-mail)
- Curriculum vitae (e.g. professional career, secondary activities, leisure activities)
- Results of selection procedures (e.g. tests, interviews)
- Organization (e.g. status, dates)

Access to your data is only granted to (authorized) persons who need it to carry out the application process (e.g. HR department and the respective managers of the relevant department).

Storage Duration

Applicant data will be deleted after 6 months in the event of a rejection. If you have been accepted for a position as part of the application process, your data will be transferred to our personnel information system.

Legal basis(s) for data processing

The processing of your data as part of the application process is permitted for the decision on the establishment of an employment relationship.

Should the data be required for legal prosecution after completion of the application process, data processing may be carried out to safeguard legitimate interests. Our interest then lies in the assertion of or defense against claims.

If, in individual cases, you have consented to your application documents being stored for a longer period (e.g. because we are currently unable to offer you a position), further processing will be based on your consent. You can withdraw your consent at any time.

Your rights

You have the following rights vis-à-vis us with regard to the data concerning you:

- Right of access,
- Right to rectification or erasure,
- Right to restriction of processing and
- Right to data portability.

Right to lodge a complaint with a supervisory authority

You also have the right to complain to a data protection supervisory authority about the processing of your data by us.

Right to object to direct marketing and processing in our legitimate interest

Insofar as we process your data exceptionally on the basis of legitimate interests, you have the right to object to the processing of data concerning you at any time for reasons arising from your particular situation. If we cannot demonstrate compelling legitimate grounds for further processing which override your interests, rights and freedoms, or if we process your data for direct marketing purposes, we will no longer process your data. If we enable you to exercise your objection by technical means, we will inform you about this in the individual data processing operations above in our data protection information.

Right of revocation if consent has been granted

You have the right to withdraw your consent to the collection and use of your data at any time with effect for the future. This does not affect the lawfulness of the processing carried out on the basis of the consent until revocation. You can revoke or individually configure your cookie consent in our Consent Manager (cookie banner)

Contact options regarding your rights

You can contact us at any time to exercise your rights. The best way to do this is to use the following e-mail address: apc@apclogistics.com
